Time	You will have up to 2 Hours 30 Minutes to complete the test. Any questions answered after the time has expired will not be counted. Your time will begin when you view the first question.
Candidate Navigation	You may freely navigate through the items on this test. You may return to an item at any time during your test to review or change your answer.
Scoring Information	This is a Pass/Fail test. It does not have a numerical passing score. You will be informed of your test results at the conclusion of the test.
Instructions	<p>The Practice Test contains 50 questions. The questions are multiple choice questions with four suggested answers. For each question, choose the ONE that best answers the question. You will have two hours 30 minutes to complete this exam. This Practice Test was constructed following the same test specifications and content outline used for the actual National Written Test, part of the Nurse Aide Competency Examination.</p> <p>This Practice Test has a feedback feature that allows you to see the answer for each question and to also read information explaining the answer. Additional information is also provided directing you to current nurse aide textbooks where you can read more information about the topic covered in the question. To use the feature during the Practice Test, click on the “Show Answer” button in the top right area of the screen. When you end the Practice Test and submit it for scoring, the score report also includes a link for Item Feedback. The information provided as part of the Item Feedback includes most of the information provided when using the “Show Answer” feature during the test. The Item Feedback page can be printed for later review.</p> <p>While Prometric is providing information about where you can read about topics covered in questions, the company is not endorsing or approving any textbooks. These topics should be included in any current standard nurse aide textbook written for the nursing home setting.</p> <p>This Practice Test is provided by Prometric to help individuals who are preparing to take a Nurse Aide Competency Examination by providing an experience similar to taking the actual Written Test. Performing well on the Practice Test does not guarantee that an individual will do well or pass the actual Written Test.</p>
Confidentiality Agreement	<p>Good luck. We hope your Practice Test experience is helpful in your preparation to take your actual Nurse Aide Competency Examination.</p> <p>All test questions are the copyrighted property of Prometric Holdings LLC. It is forbidden under federal copyright law to copy, reproduce, record, distribute or display these test questions by any means, in whole or in part, without our written permission. Doing so may subject you to severe civil and criminal penalties, including up to five years in prison and/or a \$250,000 fine for criminal violations.</p> <p>All suspected incidents of unlawful use of copyrighted materials are reported to the police. By clicking on “Begin Test” you are agreeing to all of these terms.</p> <p>I DO NOT AGREE with the above confidentiality agreement. Cancel this test.</p>
