

Important Test Day Checklist

Review your appointment confirmation email to confirm your appointment time.

Arrive at the testing center at least 30 minutes prior to your appointment.

Review driving directions. Allow sufficient time for travel, parking, locating the test center, and checking in. At some testing centers, there is a fee for parking.

Bring a valid, non-expired government-issued ID with a current photo and signature.

Consider wearing layers of clothing, which can be removed due to variability in temperature in the test area.

Prescriptions and bottled water may not be brought into the testing room but can be kept in the test center locker for access if needed.

Consider bringing your own soft ear plugs or use the test center-provided sound dampening ear phones to decrease distractions during the test.
